Frequently asked

Is there a PDF of the 2026 Tibetan calendar? —

Yes — press “Print / Save as PDF” above and choose “Save as PDF” as the destination. You get a clean, ad-free PDF of the whole year to keep or print.

What does each day show? +

Do the dates vary by tradition? +

← Back to the Tibetan calendar 2026 · Is today a good day for a haircut? →

Traditional / reference information in the Tibetan and Buryat tradition — not religious or astrological advice. Exact dates vary by lineage; confirm important timing with a published almanac or a zurkhai lama.
